Kennet School is a dynamic and ambitious 11-18 co-educational comprehensive school which opened in September 1957; now, as then, it serves the population of Thatcham and the surrounding villages. As the most over-subscribed school in West Berkshire, the school has grown steadily in terms of numbers on roll and, more importantly, facilities available to pupils and staff alike, in pursuit of excellence. In September 2000, the school became a Technology College. This includes a brand new technology block and ICT equipment which is the envy of others.

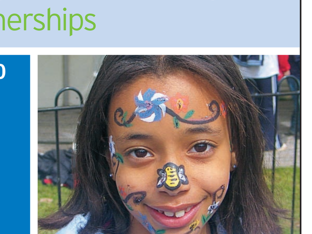
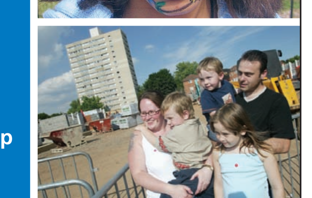
sovereign housing
forming partnerships





Sovereign provides over 6,500 homes for rent to people in housing need across West Berkshire. We try to involve residents in shaping our services and we work with partner agencies to create communities that people want to live in.

We provide accommodation for rent and have developed a number of shared ownership properties for part rent, part buy.

We also have a number of sheltered schemes for older people and offer a 24-hour care alarm service. This is available to local people for a small weekly fee. It enables you to call for help or assistance in an emergency, from anywhere in your home and garden.
